*So many memories, we have been visiting Mary at the Casa since her arrival. My father in law lived there and now my mother lives there. My Grandkids gave hugs, chocolates and received hugs and love back from our Mary. My youngest grandson was just here from Oregon and along with his Mommy and I got to say our good-byes to Mary.*

*My Mother Bernice shared a room with Mary and their life was filled with sharing stories, the Bible and visits with their Pastors. They were very good for each other and we are thankful for their time together.*

*Mary always called my husband a scoundrel because he would flirt with her.*
*We love you Mary, Thank You for the loving Memories and letting us share in your life and for being a part of ours.*
