“ I knew Paul from school way, WAY back - Lomita Elementary, Fleming Jr High and Narbonne High. Had the privilege of reconnecting with him through FB a few years ago. Love & prayers to his family. RIP, Paul.

“ Not receiving my daily morning texts from you just is not the same. I will miss them dearly. I still sit here thinking no ill go by his place and he will be sitting in his chair being rowdy and drinking coffee. Just the way it is supposed to be. But life wasn't meant to be like that I guess as god has taken another fighting hero from us. Now I have one of the toughest angels watching over me and our family. I will miss you dearly dad and I just wish you could have made it longer. It was way to soon for us. Your life and love will carry on with Sisi and !! Love you to the moon and back DAD! Till we meet again!

“ I’m so sorry for the loss of my good friend, Paul. He was a Navy veteran and a kind hearted man. We shared many laughs together over the years. I first met him through another friend when I needed help keeping my home safe after a burglary. Paul was there to help me on several other occasions as well and it was his greatest joy to be a protector of his friends. I’m saddened to know that as a veteran, he didn’t receive the care that he deserved from the Veteran’s Healthcare system. Appreciation goes out to Tucson Medical Center for the excellent care he received in his last days. My sincere condolences go out to his family. Paul will be missed by many.
May you Rest In Peace.
