“ *I am so sorry Faye to hear of Abie's passing. He was such a fun guy. I remember with such fondness him at the Rey's Market, across from where you all lived. I went to school with Abie and he was fun, good looking and such a sweet guy. I am sorry you lost him so young. Prayers are with you all. I would see your home and always thought of you guys no matter who bought it. It was always yours. God Bless*

So sorry to hear of Abie's passing. He was a great guy and teammate in Track. He had a great sense of humor that was always welcomed as we traveled on the team bus on our way to track meets.

Abide was always the fastest in the 100 yard dash...for the first 70 yards! He always said he couldn't find second gear, LOL!!!

He medaled frequently nonetheless and was great on relay races. I wish I would have been able to see him over the years. He was always great company.

God bless all of your family during this time of sorrow Abie. You will be missed Brother because you are loved.

Max Torres*
