“ *" Talbot, i remember riding on the bus with you, visiting your house with all your roiling family around, my first motorcycle ride, the jokes, your teasing, your laugh. It doesn't seem like 55 years could have gone so quickly. Your time was not wasted here. You will be missed."*

“ *Talbot was a friend and mentor. I enjoyed playing golf and shooting with him. Kind of a father figure to me. I will miss him, and his sense of humor. He could really make me laugh. Pretty sure he would tell us all to quit sniveling. I pray Jesus will comfort you Peggy. Mark Landweren and family.*
