“ *I first visited Price Canyon Ranch in the 1980s, where Alice and Scotty made us feel like family. They were a wonderful couple that welcomed us over and over throughout the years. We cherished their friendship and ethics. Their wonderful family is a reflection of that... We find comfort in knowing that Alice Scotty are united once again..... Thanks so much... Gwen*

“ *Alice & Scotty were the most amazing people! Spent time at Price Canyon when I was in high school & college years. Visited at the Rubicon after they retired. I can honestly say they saved me. I was going down a bad path and my Mom (Gwen Gaffney) brought me to their ranch. They were the most wonderful hard working people. They taught me a lot, had faith in me, and made sure I knew there was another world out there and way of being. My deepest condolences to their family. ❤️ We are thinking of you all. ~Tracy Gaffney Cronin*
