“ *Dear Mico, Mica, Cora and Family,*

Jim/Grandpa and I are crushed over the loss of your wife and mother, Jim's/Grandpa's daughter.

Angie will be sorely missed but us all.

May you find peace during this most difficult time and moving forward through this year of firsts by sharing memories of moments in time that you all were blessed to have.

I know that I will so miss Ang's and my conversations over the phone, whether be in text or actually talking to each other. I loved her passion and honesty (sometimes too honest)... but that is who I fell in love with.

We love you All - always have, always will!

Love Always,

Jim, Grandpa & Jane

“ I MET Angie at NCCH. WE WERE ALSO GOOD FRIEND'S. I remember when she met her husband...she asked me to sing at her wedding...She picked the song "Wind beneath my wings." I have many happy memories, when she got pregnant for both of her daughters.My family were often guests at her children birthday parties...I can't believe she's gone and she will be missed.
