“ *Angelica was a favorite library customer when I worked there. Her soft-spoken, sweet demeanor warmed my heart, and she was the best mom to her son and all the other family children she lovingly took care of. What a bright star she was and will continue to be.*

“ *Angel was like a little sister to me, always willing to share a smile, hug, kiss and an "I love you". She and I always discussed our hair "issues" and, I guess she thought I had the worst because she recently shared some of her hair products with me! That's the kind of person she was, so caring and loving. She left a huge hole in my heart. My sympathy and condolences to the entire family. We are so fortunate to have you all in our lives. Jody*
