Ann Marie "NannSea" Patton

On August 4, 2022, NannSea Patton went home to be with Our Lord. She passed quietly at home in Pearce, AZ, surrounded by family and her faithful pugwa dog Rosie. She was born March 22, 1946, in Escondido, CA. She graduated from Ramona High School and Loma Linda University. An accomplished and innovative teacher, she owned and operated the first Christian preschool in Ramona, CA, for ten years and helped create an alternative, independent learning center for homeschoolers. After moving to AZ, she taught ESL at Cochise College in Douglas. Later she went back to school and became a registered nurse, working at hospitals in Bisbee, Sierra Vista, and Willcox before moving into hospice and home health care. NannSea was a proud grandma to her only grandson and adored looking after him during his preschool years, always seeking creative ways to pass on her joy of learning and thirst for knowledge. In her later years, she became an accomplished artist. Her acrylic paintings have shown in several galleries in Cochise, Santa Cruz, and Pima counties, as well as in numerous local art shows. Her cannonball gourd ornaments were highly sought after, selling out quickly. She played with the Society for Creative Anachronism where she was known as Selina Marie Sinclair, Bannthegn of Mons Tontirus. She also enjoyed attending Highland Games as a member of Clan MacLachlan. NannSea is survived by her husband of 54 years, Philip Arthur Patton,

children Philip "Tad" Patton (Jennifer) of Hereford, AZ, and Loyetta "Loy" Patton of Tucson, AZ, and grandson Philip Arthur Patton III. She was predeceased by her parents, Robert and Norma Burgett of Ramona, CA, and was an only child.

No Services are planned.

“ I'm sorry to hear of Nancy's passing. (I have always fondly thought of her as "Nancy Burgett") We didn't keep in touch after high school- missed her at reunions. But the memories are still there. Do you, her family, know she played the accordion? I think we were in Jr. High and we took lessons together at the Friends Church and later at the Grange Hall from a teacher from out of town. We had a great time passing the time between school getting out and our lessons. Sometimes we spied on the boys, Randy Carlton and Mike Crouch, who were taking guitar lessons right before us. Nancy and I had been in "Brownies" together as well in 3rd and 4th grade. I knew her parents as well, they were always sweet to me. I saw them whenever I came home from college as I stopped to get gas at their Mobile station in Ramona. Sweet memories of a sweet lady and her family.
