“ *Awww, such a sweet lady. Loved taking care of her at NCNH. Loved her accent and her smile. If I close my eyes I can see her smile, nod and chat with us. I can see her coloring beautiful pictures and hear her reading everything running across the TV screen :) May she forever rest in peace. For the family may your memories of her help ease your heavy hearts...many prayers, big hug to you Tom...Lori Fortner, RN*
