“ *We will all miss Arlene terribly every Sabbath service. She was so committed to God and attended church faithfully in spite of her health. It was a joy to see the love between Jack and Arlene, always holding hands when we sang hymns. They were so devoted to one another. What a blessing to the Wood family to have such a beautiful example to treasure and emulate. Arlene was an amazing woman with all that she accomplished in her life but she was also a humble woman. I will always remember her and think of her with much admiration and love.*

*Jack you and your family are in our thoughts and prayers..we all love you and will forever cherish those special moments we shared fellowshiping at services and the laughter we all shared at those lunches after services. My boys remember foundly dinners with you both and the drurys in willcox. And we are thankful to have been able to see and visit with you both recently before Tim and I moved back to Michigan. And although Nate missed out on seeing you he did get to see and talk with Arlene for a few moments atRay's . We will never forget either one of you and will always remember the love you shared, the total devotion you have for each other. We love you and will sure to come visit soon...*
