“ Sage was a joy to know, being intelligent, funny, and lively! She knew Jesus was her own Savior and desired to be able to attend church services. Sage was instrumental in founding Willcox Community Food Bank, and she enjoyed helping those in need. She baked pies for community restaurants. She enjoyed being remote and "off grid" as long as funds and health allowed. She loved her three children, her family, those who provided care, and her various pets. Sage will be missed by many of us, but she was overjoyed to greet her Savior Jesus Christ!

We are already missing you dear, Sage!
