“ *Ms. Barbara lived across the street from me over the last couple years and was a big ball of positive energy! She always spoke and made sure my front lawn was looking great! This news breaks my heart as we all have lost a great person from this planet. We will miss you, Ms. Barb.*

“ We, her neighbors at Mountain View Gardens, we’re shocked to learn of Barbara’s passing. We were sure she would be right back after her fall! She seemed so healthy as she walked her many laps in the hallways. We are still stunned to realize she won’t be back among us.

*It was always a pleasure to chat with her. She showed a real interest in everyone she talked with. She had such a beautiful smile and made us all feel happier for meeting up with her. Reading her biography, I am sorry I never got to work with her as a teacher, but I can understand how she must have been a wonderful colleague and mentor.*

*She will be very missed by all of us. We send condolences to her family and hope they find comfort in the many warm memories they certainly have of her.*

*Rest in Peace, Barbara,
