“ Barbara was truly a very special person with so much love for those she came in contact with. She was blessed with a very powerful gift that helped so many, myself included. The Lord knew how to use her for good in helping His children not only physically but spiritually. I will never forget her sweet spirit and selflessness in healing. Even tho she will be missed tremendously, I know she has been called home by a loving Master and is amongst those whom she was so close with. I love you Barb. {hugs}

“ *Barbara was a true channel of Spirit and healing energies that effected one's Soul as well as their physical & mental & emotional health. She was a true comprehensive healer who compassionately loved her work and the people who were drawn to her light. Her physical presence will be sorely missed but we know that her Spirit will be ever present with love and light. Blessings to all her family and friends. Love Jimalee & Michael McGee*

“ I met Barb when a horse rearranged my neck vertebrae with a branch and she was the therapist for the ranch. We became long-distance friends and she was very much a sister to me. Throughout 20-some years, she has guided me and kept me on the good path and taught me to be grateful in prayer and return kindness for kindness. Her intuitive input and healing touches have helped me pay it forward and I treasure her memory. She spoke often of her family and her love and caring for them all, and with pride of its most recent member. She has shed her earthly shell with its infirmities for her angelic mantle. Though we cannot touch her now, those of us who have known her realize she is just on the other side, awaiting a reunion with all of us who have known and loved her generosity of spirit and selflessness.

“ Our deepest sympathy to the family of Barbara Clark. She was one more "very special person" with a healing talent that few people are blessed with having. She was a very caring person, filled with love and healing for her patients. She will greatly missed.

*May God bless each of you in these hours of loss, and give you the comfort that Barbara so willingly gave those she treated at "Special Touch".*

*Special Touch.... What a perfect description of everything I have come to know about my sweet friend, Barbara!*  
*We met about 5 years ago, I will forever cherish the memories she has embedded in my heart! Her unselfish love, kindnesses, and concern for others that she positively put into action, everyday.*  
*I loved her soft sweet voice and smile, her warm heart and hugs, her sincere concern for others. We had shared our tender stores of life and love of family, one with another. We have cried and laughed together. I will deeply miss her warm spirit, and her love of God, so often expressed in every aspect of her life. Barbara had such a gift to heal and help others.... My family and I ...among many!*  
*Thank you for sharing her with us! I know she will not be far from us... Continuing to serve our Heavenly Father..... Another Angel among us!*  
*May peace and comfort fill each one of you, her dear family!*

“ I met Barb at a health fair at AEPCO and we bonded immediately. She convinced me in 5 minutes that massage therapy was a necessity for migraines. I remember meeting Kara when the boys were toddlers and felt a closeness to her too. I knew Ellen from the Willcox chamber through work functions. Barb and I built a friendship that I will always feel blessed for. My family also got to know her and felt the same. RIP in heaven and now you are an Angel watching over us. Love you all.
