“ *Barbara J. Miller, just this past election in March, 2024, worked as Election Judge. She was hard-working Republican for many years. We will miss her. God bless her family. Sincerely, Vera and Craig Billingsley*

Absolutely, she was an active Republican conservative of good character & an all round good person! The good die too young always! We will miss her vote! Blessings to her family & close friends like Robert Gonzalez who looked out for her so she knew she was respected!
