“ *Brother,  
Right now, I don't understand Why God took you away from us. We are good people and love unconditionally, that Why did he need to take you? You did everything right? Why God? Why take our Brother? We did everything to bring him back home! I wish they didn't fail you because you would be here with us. I wish it was a dream, because life without you won't ever be the same. Benny, we love and miss you!*
