“ *Bernice has had quite the last few years! But that is all behind her now. Nevertheless, I'm sorry for the loss of your spouse, mother, grandmother, and great grandmother. However, I feel confident that she is still near you and able to help you in ways she couldn't before. Her interest and love for you hasn't changed.*

*Your service today was a great tribute to her. It sounds like she was an inspiration to many. I remember her smile and her chuckle. God bless!*
