“ *I remember Berry from our days in Hopi Lodge at the U of A. When I got into the Army, they swore us in and then we went into the next room to get assigned our MOS. I walked up to the table and there he was - my old friend Berry Bertie!*

*I had only been in the Army 5 minutes and already I had met an old friend. "This Army thing will be a great opportunity to see my old friends!"*

*Berry was the first and last civilian friend I met in the Army!*

“ *With deepest condolences, Barry was a upstanding man, he has passed his legacy onto Brian and the rest of his children. May God wrap around His arms around all of you including Patty and give you strength and understanding. Blessed to have known and worked with Barry.*
