“ *Awww, I was looking at something and came across Betty's beautiful smile. I think of her often and the time at NCCH Nursing Home. I enjoyed getting to know and care for her. When an older lady talks to me about sports, I can't help but think of her. Sending hugs and blessings for continued moments to remember her life, especially to Sarah, who I miss seeing and think of often also, with love, Lori Fortner, RN*

“ *I have many fond memories of spending time with Betty at the Johnson Family dinners, especially Thanksgiving. My husband Don and I enjoyed visiting Betty in Arizona. Betty enjoyed taking us around and showing us all of the beautiful scenery. Jacki and Sarah, I'm thinking of you both. - Carolyn Lamberson*

“ *My heart goes out to you - Sarah, Jacki and Pat. Betty was such an interesting lady with a great sense of humor. We had such fun on our bird walks at Twin Lakes. I loved her grace and philosophy in life. I learned a lot from her. She loved to read, watch sports and connect with people. She had a gentle soul and so much personality. Her spirit was big in that little body. I will miss her words of wisdom and plucky spirit. She was lucky to have you for family.*
