“ *My grandma was so full of life and adventurous! I loved being with her antique shopping for dolls. I am so grateful to learn how to sew from her, it is a skill i now have that I will always cherish. She was always so creative and every Halloween her grandkids always had the best costumes! I loved how supportive she was to us all. I know she is watching down on me but I will always love and miss my grandma!!*

*It is with sadness that I found this news tonight that Billie passed away last year. Billie was a force of nature...she was strong of heart and she had beautiful and creative hands. I cherish our friendship that was long ago but will always be in my heart and now Billie will be in my prayers as she has joined her angel Travis. My love to Shelly and her family. Your Mother loved you both beyond words. Susan Malloy*
