“ *Memories of Bob Kocher, my son. He was a good son, adventures, talent and loved his children plus grandchildren. He done things his way. He was living his dream and it ended too soon. Always will remember our trip thru life. R.I.P. Dad, Dale Kocher*

“ *Some of my dearest memories are when we spent time at Edisto, and fishing offshore off the coast of the island, those were special times to me. Bob helped lead me back to God, not the God I feared as a child, but the loving and forgiving God I have today. He never wanted credit for the things he did for so many but his selfless and inspiring deeds will never be forgotten, he was loved and admired by so many including myself. I extend my love and prayers for his family. Peace be with you brother until we meet again.*

“ I’ll truly miss his passion for God, his ease to laughter and his capacity to love. This man was the first to help give me an entirely new life. It’s heartbreaking to lose such an impactful person too soon. He’s scold me for making a big deal out of him but it cannot be overstated how important Bob was, and will continue to be to me. My heart is with all who loved him.
