“ *Our deepest sympathy goes out to Jerry, Jackie, and Nancy and all the extended family. Of course Wayne remembers Bonnie as "Big Red". Bonnie has left many special memories in the Bonita Valley. She always had to tell me about her wonderful grandchildren and how special they were to her. What a wonderful volleyball player and fan she was. She always had some gum in her purse for our girls and a hug. Bonnie will be missed.*

“ So many wonderful memories of "Grandma Bonnie!" She was always the most colorful part of the fabric that was Bonita School. I remember her cheering at volleyball and softball games for "Shawna Kay" in her great Texas accent, and how she always seemed to be off on an adventure. Her adventurous spirit lives on in Shawna, our world-traveling Bonitian. :) Much love with you all. Wish I could be there to give you a hug and catch up a little. Kathy (Briggs) Farias

“ Please call me Bonnie, NOT Bondell. My heart breaks for the loss of a truly unique and one of a kind women. So full of life and red hair. God has blessed many people through her smiles and laughter. Thank You Lord for the privilege of her friendship. I can just imagine her laughter filling a mansion on a hill. God bless. Clay Donnell

“ On March 19th, our Lord took home a beautiful lady. Aunt Bonnie was such a vibrant and wonderful person. She was quick-witted and loved to laugh and make you laugh. I have many memories of her but I guess the most memorable ones is four of us getting together and playing Skip-Bo and going dancing. She loved to dance and I know she is up therein Heaven just dancing up a storm. She will be greatly missed. Much love to Jerry, Jackie and Nancy. We continue to keep you all in our prayers. “ *Bonnie was a good friend and neighbor when she lived on the farm. When I had to take my little ones to Tucson to the doctor so often, she was my travel companion so I wouldn't have to go alone. I went to Texas with her once, she flew to Texas with me, she brought my mom out here one time. There was a time when she and I would drive that old Ford farm truck up and down the road and pick up cans. We made Crab apple jelly together with crab apples from Papa Bulls trees. Lots of great memories and fun.*
