“ *Everyone knows that blood is thicker than water. Bonnie proved that family is thicker than blood. When she and Bud lived in Hardin, she treated me like one of her own. She was patient, understanding and kind, but didn't hesitate to be blunt if needed. I love Bonnie and miss her dearly. But even more, I'm grateful to have been blessed with her influence in my life.*

“ *Wow. It is hard to write this without feeling like I want to cry. Bonnie entered my life when I was a very troubled 13 year old. We went thru the rough years learning to understand one another. She was not to be beat. Her love and strength and belief in family overcame and we developed a wonderful relationship over the years. I can't say enough about what she meant to my dad. She welcomed my family in as if they had always been there. We are all going to miss her presence and influence on our lives.*

MA

“ *Mama was always there with a smile and some quick wit. Alex and I will miss her deeply and wish we had more time with her. The world will never be the same without her and everytime we see a brownie, the smile will be because of her. God bless you and your family Kasey and mama will live on through all of our memories of her.*

RE

“ *I will never forget her cooking. She was so kind hearted and never let the sheriff's office crew go hungry especially on holidays. She will be missed.*

“ *My mom was the best you could ask for, very strong and always supportive. I wish we would have had many more years together but heaven needed you more... I have been going through the memories for the last 2 days... Mom, you will be greatly missed. I hope and pray you knew how much you were loved.*

AE

“ *I immediately felt welcomed and loved when I met Bonnie for the first time. Even though we only visited rarely she was the real deal. Just a amazing woman with a great sense of humor and you just knew that if you were loved by her...she would have given you the shirt off her back, if you needed it. My heart goes out to her wonderful daughter, Kasey, as this is such a hard time. But I know that her beautiful spirit lives on through her amazing grandchildren. RIP Bonnie.*

“ *This fine lady came into my life when I 13 years old. She had a ready made family when she married my dad. She was there during the good times and disciplined us when needed. She wasn't just my stepmom..she was my friend. I was fortunate enough to move out to where my family lived and was able to reconnect with her if only for a short time. You will be forever missed and forever loved. RIP  
Mama Bonnie*
