“ *Brandon Dean Cohorn*

January 30, 2023 at 12:50 AM

“ *Brandon lived on our bus with us for a few months. Best homie we met traveling. We had been hoping for a long time he'd come back into our life. I'm saddened today to find these results on my continuous Google searches of his name. We are sorry for your loss. Brandon was a great friend and the funniest person I've ever met. We regretted ever getting separated from him on the road. We often talk of our time with him and the shenanigans we pulled together. He looked out for me when my husband was in poor health and never asked for a single thing for it. He kept us smiling no matter how much people were giving us all a hard time. His absence in our life has been a gaping hole. We love you homie.*
