“ I remember Bruce being a Sunday school chorister in the little white church.....I remember him leading Star Of The East.....I guess maybe the reason this memory has stuck with me is I was so impressed with his enthusiasm for the song and appeared his whole heart was in his singing. I also remember seeing him jogging around the farm when I worked for Gary Covey. I also remember passing him on the road when he worked for Weaver Popcorn. Can't believe he's gone....so young.
