“ *I remember when Caleb Zedo wolf and I went up to his granddads old house on the lake. We all went camping and had a blast fishing. We would take the air mattresses and put them on top of each other and jump from the rafters on to the mattresses. We all ha a blast just driving around going to the soccer fields and him as Zedo would wrestle around. And the time where we would all make up the craziest jokes. We will always remember all the good times we had with Caleb. We mis you bro*
