“ Carmen, since the first day I met you I have loved you. I stopped by your house to offer my help with family history and we loved each other instantly.

You are my special friend and when we talked about the Temple and being sealed for all eternity you told me that was all you wanted was to know for sure that you and Roger and your family would be together forever.

My sympathy to Roger and family.

Love you so much!

“ I did sewing for her and she always appreciated it. I missed getting together with her for fittings and just chatting. I hadn't even known she had moved. My thoughts and prayers are with Rodger & the rest of the family.
