“ Chuck, you were a good friend. I could always count on you to cheer me up.
It was always fun to have a breakfast or lunch together. I always laughed when you would accuse the cook of serving up "hockey pucks" (overcooked hamburgers).
You had your own style of living, a real original. And how you could paint! Plus, you were always interested in what the other guy was doing. I saw alot of sincerity in you.
Like you recently told me, "you had a good run". I now count one less friend on my hand.
From your dear friend, Dave Knecht of Gleeson, AZ.
