“ Charlie was a very dear friend. I first met him on amateur radio and talked to him almost daily on 160 meters for at least 25 years. I always enjoyed and valued his view on whatever topic was being discussed at the time. My wife and I visited with him in Wilcox, and he came to the Alamogordo Hamfest a couple times and all the way to Artesia on another trip. A great guy, one of a kind, and will definitely be missed. R.I.P. Ole Friend.

My condolences to the family.

I first talked to Charlie on the radio when he was roughing it while he built his house.

We have talked on the radio and on the phone re: computers and radios for many years. I also met him at many hamfests over the years. He will be missed on the airways and will not be forgotten. I will miss hearing his tales about the old grader and many other topics. Rest in peace W7JPY.
