“ *Jessica:*

It was with sadness that we learned of Charles passing. While Hazie had only met him once I had the good pleasure of visiting with him several times. He was always kind in his words to me, well engaged and had a sense of joy. I do regret not knowing him better. We live over on Justin Circle near Bill Penton and hope that as we see each other about the village of Sunsites we may become better known to each other. Our tender thoughts are with you.
