“ *When we were VUHS students and decided to spend part of a Saturday evening/night "Hanging Out" at Sherman Flats, Charlie always drove by and stopped for a while, to make sure we didn't get into any trouble while we were being "typical" teenagers. Also, to make sure Deputy Farnsworth didn't find anything he could tell our parents about. We loved having Charlie there, because he was a "big brother" figure and loads of fun to boot. I will always look back on that time and remember him fondly. Vaya con Dios Charlie!*
