“ Charlotte, so many many memories growing up and being into adulthood, there are too many to tell. I'm still having a hard time believing it's real. I trust you are now walking in freedom and wholeness and I will forever hold the memories in my heart that would probably be an entertaining book to some 😊 I Love You and will meet you inside the Eastern Gate! Debbie and Kim, I'm so sorry you are going through this journey of great loss and will be lifting y'all up for comfort and peace.
