“ *Probably my fondest memories are the many meals and other times our two families spent together. Sometimes I think we must have eaten at your house two or three times a week and of course it was because Cheryl and Dave were such great hosts and Cheryl was such a great cook. But Cheryl was also a great Christian Education Director for our small church. Her love of kids and commitment to quality produced record attendances at programs like Vacation Bible School and Sunday School. We still smile and laugh at the video of "The Inn Kaper" when Mindy and Cody and all of our kids put on a great Christmas program about 25 years ago. I'm so grateful Cheryl and I were able to reconnect over these last few years and renew our friendship. May the God of all comfort wrap his arms around you and assure you Cheryl is also basking in his eternal love.*

“ Always laughter. The only person in the world that I enjoyed playing Perquacky with. Most people have never heard of this word game. With Cheryl a three letter word could cause laughter that made your sides yell for mercy. So many cherished memories with our families together. We will hold her in our hearts forever.

“ I have a whole life time of memories I could share! As a little girl my mom would have hot chocolate and we would color together. I of course was her child that drew out of the lines and I know It drove her crazy. I remember all the time love and effort my mom put in to raise me. She taught me to rely on God! In later years she became my best friend. She was always there no matter what kind of mess I made. She loved all of her Grandchildren so very much. I called her three times a day. I don't know who I will tell everything to now. love you mom now and always.

“ Easter will never be the same mrs Cheryl . :(one Easter I was living with this loving family who took me in and helped me through some college. Cheryl and I stayed up till wee hours of the morning making a Easter bunny for cake. We laughed till we cried so tired, but it turned out amazing I can still see it in my mind, I will never forget that night.
