“ *Chris is the only person I know that taught his dog all of her commands in both English and Spanish - and she understood every word! He had an amazing way with all animals and the biggest heart when it came to all of God's creatures.*

Chris was an amazing man and friend. He was quite humorous and unpredictable. He was extremely talented and skilled. He loved life. The one person he loved with his heart and soul was his life partner, Kim McRae. They were a great team. Chris had a huge heart. To watch him with animals and children was touching. Chris will be greatly missed. Go with God my friend. Your friend forever, Rose Lacey.
