

Cirilo Romero

May 5, 1952 - August 18, 2017

Cirilo Romero

On Friday, August 18th, 2017 Cirilo Romero passed away. On August 3rd he suffered a bee sting attack in the Kansas Settlement area and never recovered.

Cirilo was born on May 5, 1952 in the town of San Ignacio in La Huacana, Michoacán, Mexico. Early in his life he moved to California to work the fields. Cirilo later moved to the Willcox area and became a farm labor contractor, a license he was truly proud of. He scheduled laborers for the chili farmers in Elfrida. Cirilo then began working for the vineyards, his first love. He worked and scheduled workers for vineyards in the Willcox and Elgin areas. Cirilo spent

the last 10 years managing the Pillsbury Wine Company Vineyard, and helped turn it into one of the highest quality wine grape producers of Arizona. He split his time living between his home in Agua Prieta and the Pillsbury Vineyard. Cirilo leaves behind six children including his daughter Maria de Jesús, and son

José Antonio "Tony". Tony had been his right hand man working the vineyard with his father. Cirilo will be greatly missed by his family, colleagues, and many

friends. He was always a gentleman and will always be remembered as a kind and generous man. You just needed to ask, no matter what it was and no matter how busy he was, he would get it done.

“ *Cirilo was a man who helped young people to set goals and not give up - through his own example. I know of a few whom he took under his wing as they achieved an education and moved on to bigger and better things. May he rest in peace.*
