

## Clifford Dale Miller

June 27, 1931 - December 27, 2024

Clifford Dale Miller passed away peacefully on December 27, 2024 in Apache Junction, Az. at the age of 93. He is survived by his wife Jeri Miller, daughter Carrie Childress of Gold Canyon, son Keith Miller of Tucson. His son Kevin Miller preceded Dale in 1998. Dale was graced with seven grandchildren and eight great grandchildren

Dale was born in Oklahoma to Albert and Lois Miller, growing up surrounded by the love of seven siblings. The family's journey took them to Fresno, California, where Dale enlisted in the Air Force in 1952, bravely serving in the Korean War. It was at a dance in Deming, New Mexico, where Dale met his future wife, Jeri, and they joyfully married in December 1954—Jeri's father humorously reminding Dale that he would now be responsible for signing her report cards since she was not yet 18.

Dale began his career at El Paso Natural Gas and was transferred to Willcox in 1963, where he and Jeri raised three wonderful children, actively engaging as 4-H sheep sponsors, attending countless school events, and playing the guitar at family gatherings. In his later years, Dale found fulfillment working closely with farmers in the Kansas Settlement, cherishing the connections and experiences life brought his way.

Dale and Jeri decided to move to Apache Junction to be near their family

during their later years, cherishing the support and connection that comes with loved ones. Dale expressed, "Willcox and Kansas Settlement will always hold a special place in my heart as my forever home." A family Celebration of Life will be held at a later date.
