“ I am Wilda Edwards's youngest sister. I now live in Wheatland, WY again and I remember the good times we had going to picnics in the City park and at our home. My mother was always one to keep in touch with our relatives. We had lost touch with Colleen after the passing of her parents and her husband. I got in touch with the Salvation Army and eventually they led me to Colleen. I was happy I could let my mother know that Colleen was okay before she passed away. A few days before Colleen's passing I had a dream and both my father and mother were in my dream and they were going somewhere. I knew they were going to wait for someone that was passing over. I am sure they met Colleen and welcomed her home. What a wonderful reunion it was. They loved her. My prayers will be with each of you. Please stay in touch with us. Love and prayers, Cousin Dorothy Fernandez from Wheatland, Wyoming.

“ I can remember all of the good times we had at the city park in Wheatland,WY,where we would go on picnics on holidays in the summer time.When Colleen's family would come to Slater where we lived,to celebrate her birthday,my momma ,Leona Havelly,would always make her a birthday cake.I have enjoyed visiting with her the past few years by telephone,the last time I saw Colleen was in Grants,New Mexico.Melvin King ,Colleen's husband and the children's dad worked at a Uranium mine there.That has been fifty four years ago.My prayers are with each of you and I hope we can stay in touch. Love and prayers One of your Mother's cousins from Wyoming Wilda Edwards

I am thinking of you all and send my sympathy. I remember the times we visited Colleen and her parents in Wheatland.Wy. It was always a good time. It has been years since I have seen Colleen. We remember you boys that Uncle Dana brought to Wheatland when he was building my sister Geraldine's home.
May you be blessed with peace and love, Gladys Geis a cousin living in Oberlin KS
