“ *We just saw the obituary in the paper here and wanted to let you know how saddened we are about Daisy Mae's death. I loved her name and after I met her and Sissy, I knew I wanted to get to know them both. We are very sorry for your loss. Ron and Margaret Bemis*

“ *So sorry to have missed the services for Daisy Cannon. My mother Ruth told me it was certainly a moving experience. I was so lucky to have had Daisy as my bus driver when I attended Cochise Elementary School. She always had such a kind smile and beautiful spirit that the fear of going to school was eliminated. Has she done in good in the world? Well I venture to say that the many children who rode her bus driver were blessed each school day and will never forget her kindness and grace. I know I won't ever forget the impact for good she had on me.*

“ *My sympathies to the Cannon family. I went to Benson schools with Daisy since first grade. She and I would get into trouble because we talked too much! We had a lot of laughs and fun together during those school years. Enjoy all the wonderful memories you can share together.*
