“ *It's been almost 2 years since I lost my amazing husband. I miss him everyday. The life we built here in Arizona will never be the same. I still struggle to move forward everyday.*

*He was a generous, kind, loving person.*

“ *Dan always wanted to be downwind when I used to smoke. lol :) Always with a cheerful greeting, will miss his quirky responses to things. Will never forget our New Years Eve fondue party at the Deckers when Dan tried to fry an iced gingerbread man in the fondue pot. Good memories. My condolences to Ginny and family. 💔*
