“ *"He's Gone"*

*You can shed tears that he is gone,
Or you can smile because he lived,*

*You can close your eyes and pray that he will come back,
Or you can open your eyes and see all that he has left.*

*Your heart can be empty because you can't see him,
Or you can be full of the love that you shared,*

*You can turn your back on tomorrow and live yesterday,
Or you can be happy for tomorrow because of yesterday.*

*You can remember him and only that he is gone,
Or you can cherish his memory and let it live on,*

*You can cry and close your mind; be empty and turn your back,
Or you can do what he would want: smile, open your eyes, love and go on.*

My deepest sympathy to all of you.
