“ *I love Daniel more than I can even describe. He is the best friend I have ever had; the best human being I have ever known! Always there for me to lean on, to help me out, to cheer me up and make me laugh. He was an angel. The whole world is a bit darker without him in it! I will never be able to fill the emptiness his absence has left in my heart.*

“ With deep sympathy we share your sorrow. Jesus said to her: " I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life; and everyone that is living and exercises faith in me will never die at all. Do you believe this?"

“ I don't have a single one story of the kind of friend Danny was. It was just every time I saw him. The countless times he was there for me. The most consistently good hearted friend I've ever known. To try and think of one story that embodies the kind of friend that was Danny is like trying to think of one water droplet most embodies the ocean. Such a beautiful heart that will be forever missed by anyone lucky enough to have gotten to know him. A void that will never be filled but a resonance that will flow through us all as we try and live just a little better for having known him. I'm so sorry for your loss.
