Tribute Wall

“ *Darlice will be missed by all of us at the VFW. She has been the care taker of our flower pots for years. She even brought water from her house on the days we were closed. She was the first person to show up to help decorate the 4th of July float. She was a true treasure to us. We are heart broken and will miss her terribly. God bless you Darlice. May we all take a lesson from you in your kindness & gentle ways.* ”
