“ *Dave and I went bear hunting etc. and all that bear did after Dave shot him was laugh 😂 at us as we searched up and down those damn mountains for 3 days for that black bear. I'll never forget the things he taught me. To this day his loud contagious laugh rings in my ears and I thank god for that 🙏! I never will forget. Thank you so much for everything you did for me, thank you for being my best friend and most of all thank you for loving me. I think of you daily.. I only wish you would visit me in my dreams :(Till we meet again Dave, you'll forever be in my heart! RIP PFM 😭*
