“ My heart hurts so much little brother. I can't wrap my mind around the reality that I will never hear your voice again or feel your bear hugs around me. Your nieces and nephews will never get to see their uncle and his gentle loving spirit or hear me laugh when we are on the phone talking about our lives growing up or what it's like to be parents. I know you missed Danny so much and I know you were never the same after he passed. You longed to feel whole again. I also know that Luna was your Moon and Sun. Her life gave you purpose and the ability to wake each day with hope and happiness. She was blessed to receive all the love you had to give her. You were such an amazing father to her. You invested all of yourself into her and she will always have those memories of you as she grows. I want to wake up from this bad dream and call you to hear you on the other line, to see your gorgeous photos of Luna on your many adventures, to have peace that you are comforting Mom in her sadness. Selfishly I want you here with us. Mom needs you, Luna needs you, we all need you. I know you are with Dad, Danny and our Grandparents but that doesn't bring comfort to my heart right now. I wish we had a just one more year, one more month or even a few more days to settle things, to find peace in saying goodbye, to say all the things we need to say, to share more days just being together. I will carry you with me and I will share my memories with Luna, I will check in on Mom and comfort her the best I can. I can't bring myself to say Goodbye so instead I'll say See you later. I love you to the moon and back little brother. Forever and Always!

“ Why we all ask, lil David was always such a respectful young man. Always brought laughter to everyone. I remember David and Danny always laughing and being silly but that's how they were. After his lil brother and dad's passing it was hard on lil David but that lil princess Luna kept him going. Be was a wonderful and amazing father to Luna. His laughter and bright smile will live on through Luna. RIP primo and my you be reunited with Danny and tour pops. Tia Frances we all are here for you!!

“ *But why??? The simple question Little David would always ask about everything as a little boy. His curiosity never creased to amaze me as he grew and became a young man. I spent a lot of time with him and Danny as a young child, thats where I learned how to care for Little ones. These two were inseparable and always brought with them laughter, joy and gratitude. I specifically remember David telling me his love for all music came from his momma . He said she always had different genres of music playing which allowed him to learn to appreciate it all. Certain music reminded him of certain stages in his life. I'm sure we can all relate to that statement. Although there was a period of time where we lost touch, when we would see each other it would be as if nothing changed and we'd pick up right where we left off. David was such a good man, a loving devoted father to Luna,an exceptional friend, cousin and just an all around decent human being. His life would never be the same without his little brother Danny, but he certainly gave it all he had. I'm still in shock as I just learned of his passing a few moments ago. I never saw this coming as im sure none of you did either. David Little cousin your beautiful spirit will love in thru your baby girl Luna, and each one of us will carry a piece of you with us forever. You've left us all to soon and I now have to ask but why? Tia Frances I send you my sincerest condolences, and although right now it's not nearly enough to console your broken heart please know your in my thoughts and prayers and I send you all my love. - Estella*

“ 4 young boys ,school,games just things boys do!
Austin,David,Danny and Tyler always full of life,
energy and full of as much optimism as boys can have.
Always and I mean always ,respectful,David and Danny were
always soooo RESPECTFUL and POLITE!
As boys, its hard for myself not to remember them as a team.2 little
boys ,2 young boys,and finally as 2 young handsome men!
RARELY WERE THEY NOT TOGETHER. THEY FUNCTIONED AS
A UNIT ALMOST.
Francis ,as their mother is amazing.so few of today's world truly
understands respect and politeness as these brothers exhibited.
Their grandparents treasured them,aunts and uncles,and us
neighbors all as well.
Truly GENTLEMEN.
LIFE ?IT HAS ITS STRUGGLES, AND YET DAVID WOULD EXCEL
IN HIS ENDEAVORS OF WORK.RESPECTED FOR HIS
TALENTS.
ADORED BY HIS MOM,ANDBY ALL OF US.
DAVIDS GREASTEST ACCOMPLISHMENTS ARE CLEAR,BUT
THE GREATEST ACCOMPLISHMENT THAT HE LEAVES US
WITH IS PRECIOUS LUNA.
Luna so fitly represents his dedication and love .
Our latter years of memories of David so are filled with "David and
luna"
My best memory of them together were one afternoon at the old
house ,I casually dropped by ,luna was roughly 4 years old by then
,Davids joy was truly her!!!
His dreams ,his plans ,his everything was luna.
Then as the days passed our visits as he walked with luna and the
English bulldog ,past the farm.almost everyday.David and luna and
the dog ,so happy so entrenched in what little girls find fun on a
walk in the open air of a country morning in farmland pearce az.
David you brought us joy,you brought us love ,you brought us
hope,and most of all you brought us precious luna!
Now its time again to be "DAVID AND DANNY"
TOGETHER AGAIN.

*YOU ARE MISSED AND LOVED.
THANK YOU LORD FOR PLACING THIS YOUNG MAN IN OUR
LIVES.*
