“ *I'm shocked to learn of Delah's death. I loved her so very much. I just called St. Luke's home because I was concerned I hadn't heard from her. The operator doing her best say there was no such person there. I left a message with the coordinator's office but then looking up Delah on the internet it showed her obituary at the top of the page. We met in Willcox at a difficult time as we were driving or motor home from CA to TX. She was a true Christian welcoming us into her home while waiting for the fb to be fixed after breaking down. She was an angel to us and I'm so very sad but know she is in paradise. All her tears have been wiped away and I'll see her in Heaven with Jesus. She had a very hard life and was an inspiration to me. I'll never forget her. I only wish a family member had somehow contacted me and I would have flown out to say goodbye. RIP Dee.*
