I also wanted to let people know my mother was a New York champion swimmer, she was a Post Master, stenographer before she met my father she also was a darn good Sales Women she worked for Jc oennys for years. She was a Mother first because she didn't work until we were all in school. She gave up her dreams for ours. She loved my father she was a wonderful wife until her illness and daddy took care of her. I'm just so glad my mother is my mother. Thanks again for letting me post here.

“ I remember my mother and father always playing music. She knew how to play any instrument that had strings. She never said no to a good jam session.... I loved to listen to her singing sometimes she put her own words in to suit herself and they were funny... She was the best mother anybody could ever ask for , she was affectionate, loving, caring and stern when she needed to be, she was a mother first but still our friend, you could tell mama anything and she would never judge you. Thank you everyone who sent a card or flowers. The Family Address is 6142 Glenbrook lane Stockton, Ca 95207 any correspondence I can get to the other siblings thank you again.... Trubie I McConnell
