“ *Dixie Myers was and still is one of my greatest role models. I didn't have any role models at home. Dixie was like a mother to me. A number of years I had the opportunity to reconnect with her and Pastor Harry. I wanted to tell her how important and loved she is and how incredibly blessed to know her. I'm in the process of doing a blog post about Dixie and as I type, I have so many special moments that comes flooding my heart and mind. Most of all, my memories are of a woman that loves the Lord, loves her family and made an incredibly difference in my life and those who have known her. My thoughts and prayers are with her family.*
