“ My Dad was such a special part of our lives. God put him in our life when we needed him the most. He came in and took Bryan and me in as his own immediately. He was my Dad in all ways. He was the "Dad that he didn't have to be". He was always there to support us in times we needed it the most and he knew what to say, and how to say it. He had the sweetest hugs ever! Dad you will be missed! I thank God for the beautiful memories we have, as a family, of you!!! I love you.

“ Uncle Donnie, I can't begin with which one of my memories to mention hear as they all are dear and close to my heart. I do remember everyone gathering around, playing guitars and singing. You had a beautiful soft voice and everyone enjoyed hearing you sing. Now you are singing with the angels with your beautiful voice. I also know you loved to joke and laugh. Now you are laughing with the angels.
