“ I worked with Donella for several years at Apache Powder. She was a wonderful person to work with. She always spoke very highly of all three of her children. The only thing I can say about her is what a great person she truly was. I never actually met her husband, Les. She spoke highly of him and her three children. The last time I saw her was about 4-1/2 years ago. I stopped by her place in St. David. We spent a few minutes talking and she was still the great person I new back in the 1980s. I was sorry to hear that she had passed away. You all can be proud of her as I am proud to have ever known her.
