“ *Mrs. Moore was my first grade teacher. I absolutely adored her and still remember sitting on her lap and talking to her. I am in my 40's now and can tell you that she was my favorite teacher, throughout my entire life I never had another teacher as wonderful, loving and kind as Mrs. Moore. My heart goes out to her family.*

We are all blessed for having known her.

“ Dorothy taught my husband and also my children. She was a guide and mentor to me when I began my teaching career at Willcox Elementary School. Further, she was a good friend. (And a shirt tail relative.) I learned a lot about cooking and sewing from Dorothy and spent many a enjoyable time at her table with G.L. and Mindy. I am sending you love Mindy and pray for the loving arms of our Lord to embrace you and give you Peace.
