*So sorry to hear of Dorreen's passing. She was my father's cousin. I remember her love of Star Trek and fantasy books. May she rest in peace.*

“ *Sorry to hear about Dorreen passing I worked with her many years at Mc Donald's she was one tough lady but that's because she did things by the books and would let everyone know if we weren't following proper procedure at work that's just the way she was. She often talked about her Star Wars collection she had at home and how on her days off would spend the day with her brother shopping and eating at different restaurants. Thank you for showing and teaching everyone around you how important it is to do things the right way at work place. ~Marissa ~*

“ *I am so sorry to hear of Doreen's passing. I remember her at the drive thru at McDonald's, where she was a faithful employee for many years. But I remember her most as a devoted patron of Elsie Hogan Library and her love of fantasy books. Condolences to her brother. She was a very nice person.*
